Commander's message for October 2017

Hello Legion Family members,

Just an update to happenings at the post. We have started our expansion on the north corner of the post and all is going well. Our horseshoe leagues are in full swing as well as indoor Corn-hole league.

Please continue to support your post as we enter into the winter months. We have food service every night and our Friday night Fish Fry.

If you did not know, we have chartered another entity to our post. Let's welcome the 196 Venture Group, which is a stepping stone for eagle scouts and older scouts to continue their love for outdoors and adventures. We are looking for a Legion family member to step up and be involved with this new group. If you would like to get involved, please give me a call 414-378-7975

Our 10th Annual Car show will be on Sunday October 15th.

Please get your dues in, we are currently at 50% and are moving strong to hit 100% for the 6th year in a row. For some of you who did not pay last year, you can update your continuous membership by paying for last year's dues and this year's dues The cost is \$35 year.

Reminder that we have an informal Family meeting on October 30th at 6:00 pm. Please bring a dish to pass.

Please remember we are a viable entity to our community, youth and veterans. Please spread the word about our happenings going on up at our post. Also please let people know to leave email address, so we can communicate on goings at our post.

God's Blessings

Terry Frazier-Commander Post 196

SONS OF THE AMERICAN LEGION SQUADRON 196

I hope everyone has had an enjoyable and safe summer. Believe it or not, Fall is approaching.

Our August Membership Meeting was held with 10 members in attendance. Minutes from the previously held meeting were read, voted on and approved as was the financial report.

We were fortunate to have a Boy Scout who would like to do a project at the post to become an Eagle Scout. He had hoped to replace the sign at the corner of Lapham Peak Road and Main Street. Unfortunately, the City rejected his plans so instead he found another project that desperately needs to be done at the post. He will be making numerous repairs to the pavilion as well as treating the wood on the pavilion and score keepers canopy.

Under 'Old Business', the corn roast did not go as well as years past and some changes were discussed for next year. On a positive note, the Gun Raffle went very well. We were able to help a member in need and also add a nice sum to our account. Thanks to Al the Plumber and K.J. for their gracious donation. We acquired a large tent from the Delafield Lions Club. It has been damaged over the years. Jerry will get estimates for damaged parts and canvas repairs. Jerry also reported that we still need to collect for 10 of the 17 billboards.

Under New Business; Steve Reardon reported that September starts the 2018 membership drive. All dues must be paid by the end of December.

A date was set for the Delafield Son's of Legion Annual Tailgate Party. It will be held on Sunday October 22nd for a Noon game against the Saints. As always, we will have burgers, brats, pools, raffles and of course beer and cocktails. Please spread the word, it's always a great time!

We are also in need of raffle prizes so please do your best to solicit any prize donations we can get.

See you at our next meeting, Monday October 2nd, 2017 at 6:30 pm.

Till next month,
Respectfully Submitted,
Dan Knickelbein
Second Vice Commander
