Sals night out is coming up APRIL 26th

We will meet at the post at 5pm & proceed to Hogg Alley for dinner at 7pm. RSVP Dennis 262-719-2807 or dennisschuetz@wi.rr.com

We are going to be working on a POW-MIA ceremony for Memorial Day and are in need of a service cap for each of the five service branches. If you have a service cap you would like to donate or lend us for the ceremonial, please contact Tom Smarella at 262 968 2735 or tomsmarella@yahoo.com.

2 More Zumba classes left Tues 4/15 & 4/22. 5:45-6:45pm. \$7 a session. Drink specials before and after.

Please keep in mind Spring Clean up will be May 3rd. Anyone & everyone is welcome to lend a hand, we will be sprucing up the inside, outside and garage. If you have any useful tools or supplies, please bring them along. Many hands make light work. There is a private hall rental in the afternoon on this SATURDAY, so the more people the faster it all gets done. Please bring any cleaning tools and supplies. Thanks in advance.

Poppy Distribution is also just around the corner. We will be needing folks to help distribute the poppies at Delafield Sentry and Wales Pick 'n Save. The sign up list will be out in April and we hope that all of you can help in some way. Anyone can volunteer for a two hour shift but older men in uniform do better. Women we have sashes available to look more official.

We are once again collecting Sentry Receipts for their "Funds for Friends" program. Please drop them off anytime at the bar, the post will receive 1% cash back for every dollar spent. These extra funds will go to support all the things we do for our veterans.

We know that there are many members of the post family that step up, go out of their way, and help out the post. If you see, know, or would like to recognize anyone of these people email their name and the reason to stephghere@aol.com. We will try and get it in to the next email.
